

Lismore Public School

Works notification | 26 June 2023

School Infrastructure NSW and Public Works are managing the repair and remediation of buildings and grounds at Wyrallah Road Public School.

July break construction activities

Flood remediation work will continue over the July school break from **Monday 3 July to Friday 14 July 2023**.

Work to be undertaken during the July school holidays are:

- Aluminium screens / battens to Block D classrooms Level 1.
- Walkway installation from Block A to Block G.

All construction works will be undertaken within the fenced off construction zone.

Work hours will be **Monday to Friday 7am to 5pm, and Saturday 7am to 5pm**.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
