

The Pocket Public School

Works notification | 30 July 2025

Dear staff, parents, and carers,

Following the [works notification in Autumn 2025](#) regarding drinking water quality test results for The Pocket Public School, remediation work has now been completed by a qualified and accredited tradesperson.

Re-testing of the affected tap outlets by the independent hygienist has confirmed the results meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the following tap outlets has now been restored:

- the sink in the canteen
- the sink in the practical activities area in Building G
- the sink in the demountable accessible bathroom
- the sink in the entry of the demountable building south-west of Building E
- the sink in the practical activities area in the demountable building south-east of Building E.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
